Head of Administration in Nairobi  
AST 10

I joined the European commission in 1994. I started my posting as Head of Administration in Delegations with Ghana in 1996, then Guinea-Conakry in 2000.

In 2004, I was back in Headquarters for three years and I occupied the post of Desk Officer in RELEX/K5 in charge of Local Staff Management. I was in charge at that time up to 30 Delegations all over the world.

In 2007, I was posted in Niger as Finances and Contracts Assistant. I was elected staff representative in 2009. After that, I took my post as Head of Administration in Nairobi in 2010.

I know very well staff issues (Local Staff, Official Staff and Contract Agents) and the problems encountered especially in Delegations. That is the reason why I wish to bring my experience and new ideas to help to improve the staff working conditions aiming at a professional European Foreign Service, which is always my goal in my function as HoA.
