

Dominique CABANNAIS

Short resume :

I joined the EEAS in August 2012 after 3 years working in DG Trade as a secretary, CA GFII. Previously, I worked in the private sector in France as a translator.

Why I put forward my candidacy : As the NEAR YOU assistant, I am your first contact point with our union and I want you to know that I am available to hear you out and help solving whichever problems or doubts you may experience on a daily basis.

What are my priorities : lending a helpful hand to those who request our services; forward your queries to our experts if I do not have the answer; generally speaking, defend the interest of all staff categories vis-a-vis the Institution.

What will be my pet subjects: occupational health and safety, career development, improving staff gender balance.

My commitments : I will be available to listen to all, to advise, to help, in short to represent all staff category.
