

# John LUX

I am born in the Netherlands. Education in business administration in Germany and Netherlands.

I was Head of Administration in Barbados from the 1<sup>st</sup> of September 2008 to 31<sup>th</sup> of August 2012 . This means automatically dealing with all staff matters, recruitments, salary review, social security, security and well-being of our staff. Now I am working for the Security Division, HQ Security and Security Policy.

In Europe I was working also with personal files concerning individual rights and obligations, specialised in pension rights, since 1985 in the Netherlands and since 1994 for the European Institutions.

Experience:

- Member of Staff Committee European Economic and Social Committee
- Individual rights and obligations ( annex VII, VIII, X and XIII of the Staff Regulations)
- Presentations about pension rights including transfer of pension rights
- Member of the Executive Committee FFPE Commission and now FFPE EEAS in the group NEAR
- Joint Committee on evaluation
- Joint Committee on attestation
- Studies in the field of social security for PMO

With this rucksack I can help you in defending your rights, career and your queries about social security.

I forward my candidacy because as the President of the FFPE I have the duty to represent this trade union in the Group NEAR you and hope to be elected to defend the rights and career of our staff included all categories and all different kind of staff.

My priorities are to have a good social dialogue with our administration and to listen to our staff and help staff members who have to defend themselves in difficult situations.

My pet subjects are to keep an eye on respecting the staff regulations and apply a fair and good human resource policy.
