

# Holger OSTERRIEDER

**Temporary Agent, Brussels**  
**Languages: English, German, French**

As a temporary agent, I started working at the EEAS in 2014. Previously, I have worked at the United Nations as well as with the national diplomatic service of a Member State.

Through my experience at HQ and at field duty stations, including in hardship countries, I strive to work for improved working conditions for all staff, regardless of their status or duty station.
