

Dirk Buda

**EU Delegation Algiers, Head of Political Section,
Alternate member of the EEAS Staff Committee
(2011-2014)**

I'm an EU official since 1993 with a broad range of experience within the European Commission and the EEAS: DG EMPL/ex DGV; DG RELEX/ex DGIA; JRC/Institute for the Protection and Security of the Citizen, EEAS HQ and postings in several EU Delegations (Afghanistan, Tunisia and since 2013 in Algeria).

I would like to continue defending the quality and independence of the EEAS as a genuine EU (and above all European) civil service as the basis for a stronger voice of Europe in the world. I'm committed to work on key challenges such as mobility and career planning and ready to bring in my competences and personal experience in the area of external relations, institutional affairs and social dialogue.
