

Enrico INTROINI

Short resume : I'm an IT expert working since 2014 as CA IV in the EEAS Secure Communication Division (HQ). From 2010 to 2014 I've been working for the Galileo Project in the European Commission.

Why I forward my candidacy : To contribute to a better European Public Service playing an active role in the process.

What are my priorities : To assure an equal treatment and opportunities to the different Staff Categories.

What will be my pet subjects...: Career development, contract security , mobility, appraisal.

My motto: Nihil difficile volenti
