

Ugo SOKARI-GEORGE (Delegation Nigeria)

I am the Public Affairs Officer at the Delegation to Nigeria. In a career spanning over 25 years in the EU, I have traversed the various Sections in the Delegation.

My journey as a staff representative began in 1999 when I was elected a Local staff representative in the Delegation and subsequently as a member of the "Outside the EU" Section of the Staff Committee in 2002. With the

creation of the EEAS, I was also elected as a member of the first ever EEAS Staff Committee even as I am still an Executive Member of the USHU Bureau.

I have been on this road since 1999, serving you. I am returning to serve you even better because I have acquired a deeper perspective of doing so even better. This is a familiar road and consciously I will address the inequality that characterises the EU system wherever it exists. I will address prejudice and every semblance of bias, wherever they exist.

The many years spent in the service of the European Union and as a staff representative, have afforded me a wealth of experience in supporting staff in Delegations especially in Africa in the area of Salary Adjustments, Payment of taxes, SCE and individual cases and generally in negotiations for the benefit of all staff.

I will bring to bear the wealth of experiences which I have acquired over the years in trade unionism, considering that the EEAS Staff Committee requires only experienced representatives to improve the lot of staff. These are my reasons for putting myself forward for this election.

I count on your vote! Vote List no. 1, Vote NEAR YOU!
