

Dirk Buda

Desk Morocco, Maghreb Division EEAS

I'm a colleague of yours working in the EU since 1991: DG EMPL/ex DGV; DG RELEX/ex DGIA, JRC/Ispra (Institute for the Protection and Security of the Citizen), postings in Delegations (Afghanistan and Tunisia) and now at EEAS HQ.

I decided to stand in order to help defending the quality and independence of the EEAS as a genuine EU (and above all European!) civil service.

I'm committed to bring in my competences and personal experiences in the area of external relations, institutional affairs and social dialogue.
