

Brunhilde Thelen

EEAS – Directorate F

I started to work for the Commission in April 1989, first in Luxembourg, at nowadays DG ECFIN; in 1995 I moved to Brussels to join the newly created DG IA, who became later DG RELEX. After postings in three Delegations as Assistant/Secretary to the Head of Delegation, I am back to headquarters, EEAS – Directorate F- since October 2011.

With view to my experience in Headquarters and EU Delegations, as well as my previous experience as an elected member of the Staff Representation Outside the Union, I would like to represent the interests of all categories of EEAS staff.
